Sponsorship Letter

Pink Heals and Fred T. Foard High School

*The Pink Heals North Carolina Foothills Chapter and Fred T. Ford High School will be teaming up on Friday, October 21st 2017 for **PINK OUT NIGHT**. During this event the Fred T. Foard High School football team will be playing to honor a loved one who has battled an illness or disease as well as presenting them with a Pink Heals/FTF Jersey. The jersey will be custom printed with the fighter/survivors name on the back. Your donation will assist in the cost of the purchase of the jerseys which will be presented by the athlete to the loved one following the end of the game.*

*Pink Heals NC Foothills Inc. is a non-profit 501(C)3 organization that raises awareness and funds for families and non-profit entities that assist women and their families in their time of need. Pink Heals brings a community together out of LOVE, not on behalf of a cause, ribbon, or large corporate charity. Pink Heals uses the color **PINK** to represent women and their families, NOT a specific disease of illness. This is not about breast cancer, but about ALL illness and needs within a community that can be cured or supported by keeping all money raised local.*
